Directions

1. Ink each of the three tree stamps with the gold metallic ink. Stamp onto the cream cardstock. Sprinkle embossing powder on the images. Shake off excess. Use embossing tool to melt the embossing powder.
2. Fold green cardstock in half. This card will have a top fold. Use adhesive to attach the red cardstock to the middle of the green card.
3. Attach the cream cardstock with embossed images to the red cardstock with adhesive of your choice.
